Supporto modulare 1800 x 350 mm

Modular support 1800 x 350 mm

Questa soluzione è indicata per creare, a piacere, una linea di sospensioni su supporto modulare in ottone anticato. L'azienda fornisce il supporto modulare con dimensioni standard di 1800 mm. x 350 mm. ma, in presenza di superfici con livelli diversi o in presenza di soffitti pendenti o altro, il supporto modulare può essere realizzato su specifica, in base alle necessità dell'acquirente o della funzione che è destinato ad assolvere. Le sospensioni sono regolabili in altezza al momento dell'installazione. Sono fornite con cavo lungo 3 metri ed accessorio bloccacavo. Sono collocate su doppio binario mediante la sfera bloccacavo che permette il loro posizionamento e/o spostamento. L'insieme può essere composto dallo stesso tipo di FATA come da FATE diverse. Sono da ordinare a parte il rosone multiplo o la multipresa.

This solution is indicated to create, as desired, a line of pendants on modular support in antiqued brass. The Company provides the modular support with standard dimensions of 1800 mm. x 350 mm. but, for surfaces with different levels or for sloping ceilings or other, the modular support can be customized made, according to the needs of the buyer or to its specific function. Pendants are adjustable in height at the time of installation. They are supplied with a 3-meter-long cable and cable lock accessory. They are placed on a double track through the cable lock sphere that allows their positioning and/or movement. The set can be composed of the same type of Fairy as of different Fairies. The multiple canopy or the multi – socket must be ordered separately.
